This day on motion of Bill Archer, Commissioner, seconded by Greg Puckett, Commissioner, the Commission voted unanimously to approve a Resolution Honoring the Life of Robert L. Farley.

RESOLUTION HONORING THE LIFE OF ROBERT L. FARLEY

Whereas, one of Mercer County's leading citizens, Robert Lee Farley, a pillar of strength, energy and wisdom through his many years of service to the people of the two Virginias and beyond, died on July 11, 2021 at the age of 81. Mr. Farley was born in Princeton, graduated from Princeton Senior High School in 1958 and earned a pair of college degrees – an undergraduate degree in Business Management from West Virginia Tech in 1963, and an Associates Degree in Electrical Engineering from Bluefield State College; and,

Whereas, Robert started his career in the electricity distribution industry with Dominion Power. However, after four years living in Alexandria, Va., Robert and his wife – the love of his life – Elizabeth Meadows Farley, and their family returned to Princeton in 1967 to care for his younger brother following the untimely death of his mother, Madge Stiltner Farley; and,

Whereas, after the Farley family returned to Mercer County, Robert accepted a job with Appalachian Power and rapidly started moving up the management ranks from engineer to line superintendent and eventually district management – a position he held when he retired from APCO. However, after retiring from his career with APCO, Robert devoted his considerable energy to community service. As any devoted community servant would agree, Robert wasn't the only Farley family member committed to service. His wife and children supported Robert in an incredible life of community service; and,

Whereas, some highlights of Robert's community service included his service as Chairman of the Princeton Community Hospital Foundation Board of Directors, on the executive board of the Mercer County Convention and Visitors Bureau, a Paul Harris Fellow, Past President and Volunteer of the Year with the Princeton Rotary Club, the Princeton Healthcare Board of Directors, the Mercer County EDA Board of Directors, Chairman of the New River Community and Technical College Board of Directors, a member of Community Connections and the Princeton Baseball Club, was instrumental in the formation of the Chamber of Commerce of the Two Virginias, was a lifelong member and Deacon in the First Baptist Church of Princeton. He was truly a good friend to all.

Now; Therefore, Be It Resolved that the Mercer County Commission expresses its deepest sympathies to the family and friends of Robert L. Farley, and joins a grateful community in extending this Commission's sincere and heartfelt condolences to all those whose lives were touched in a positive way by the lifelong selfless service of the late Robert L. Farley.
